

International Conference on Spine and Spinal Disorders

The International Conference on Spine and Spinal Disorders is slated to be held from July 15-16, 2024 in London, UK.

LONDON, ENGLAND, UK, April 28, 2024 /EINPresswire.com/ -- The International Conference on Spine and Spinal Disorders is slated to be held from July 15-16, 2024 in London, UK. [Spine Conference](#) will be organized around the theme "From Research to Recovery: Mapping the Future of Spine Research".

Spine 2024 invites participants, moderators, and exhibitors from everywhere throughout the world to London, UK.

Why to attend??

The International Conference on Spine and Spinal Disorders is a unique forum to bring together worldwide distinguished academics in the field of Spine Research, public health professionals, scientists, academic scientists, industry researchers, and scholars to exchange state-of-the-art research and technologies. This conference aims to stimulate new ideas for treatment that will be beneficial across the spectrum of Spine Research.

“

From Research to Recovery:
Mapping the Future of Spine
Research”

Spine 2024

Target Audience:

Spine Surgeons, Neuro Surgeons, Research scholars of Spine and Spinal disorders, Doctors, Spine Faculties, Spine Professors, Spine Lecturers, Spine Research Students, PhD

Students, Spine Motivational Speakers, Business Entrepreneurs, Medical Devices Companies, Biomedical Companies, Biotechnology Companies, Data Management Companies.

Speaker benefits:

- All accepted abstracts will be published in the respective supporting Journals.
- Certification by the organizing committee.
- Global Exposure of your research.
- Networking with experts across the globe.

Conference Highlights:

- Navigating the Challenges of Spinal Cord Injuries and Rehabilitation
