

WEBBY AWARDS JUDGES HONOR NEWLY LAUNCHED AI EDUCATION PLATFORM - ZOC.AI

Zoc.ai EdTech Platform an Honoree in the 'Responsible AI' Category, Nominated in Two Additional Categories

CHEVY CHASE, MD, USA, April 29, 2024 /EINPresswire.com/ -- [Zoc.ai](https://zoc.ai), the ethical AI platform that's leveling the educational playing field for all students, announced today it was named an Honoree in this year's [Webby Awards](#) "Responsible AI" category.

Judges also nominated Zoc.ai for a Webby Award for "Experimental & Innovation Apps" as well as for "Work & Productivity Apps." Selected from thousands of entries, Zoc was nominated alongside unicorn companies such as Notion, Slack and Calendly.

“

Zoc's mission is to help all students earn higher grades with lower stress. This recognition reinforces...the power of Zoc to remove some of the most common barriers to classroom learning.”

Jason Seiken, CEO of Zoc AI Corp

Zoc, which launched in early 2024, is an innovative digital assistant that empowers students during all stages of study – from note-taking through test preparation. Zoc takes flawless class notes, highlights and organizes key points, translates the notes into any of 35+ languages, and creates quizzes to help students master class material. Zoc is the only platform of its kind that merges industry-leading AI with user-friendly design and proven educational frameworks.

“Honorees and nominees like Zoc.ai are setting the standard for innovation and creativity on the Internet,” said Claire Graves, President of The Webby Awards. “It is an incredible achievement to be selected among the best from the 13,000 projects we reviewed this year.”

“Zoc's mission is to help students of all abilities earn higher grades with lower stress,” said Jason Seiken, CEO of Zoc AI Corp. “Being recognized by the digital product experts at the Webbys reinforces what we're hearing from students and instructors across the country about the power of Zoc to remove some of the most common barriers to classroom learning.”
