PatchMaster is a sought-after franchise known for its quick ramp-up period, making it accessible to aspiring business owners without prior drywall experience. The franchise offers comprehensive training, tools, and resources to equip owners with the knowledge and skills needed to run a successful business. Franchisees receive dedicated support for various aspects, including marketing, job pricing, hiring, managing technicians, and financial management.

The initial franchise fee for a PatchMaster franchise territory, which comprises a population between 300,000 to 350,000, is \$49,500 USD. Royalties start at nine percent, and a technology fee is included in ongoing expenses. In addition to strong margins, the ability to scale, and proven business development tools, franchisees complete training at the company's New Jersey headquarters, where industry experts teach them technical and operational skills to assist in their success.
