lot of new features, such as:

- Unlimited image generation
- Creation of characters that can be used to ensure consistency
- Import of scripts
- Organization in scenes and shots
- Many shot settings for filmmakers

“With this new version of StoryboardHero, we have

answered the most common requests from our users”, said JC Bouglé, one of the founders. “We have a lot more features coming up but this is a very important step for us”, he added.

Storyboarding is fast evolving with the new possibilities of generative AI.

StoryboardHero is a sister company of Veeroll (AI video generation), [Optim Merchandising](#) and fewStones ([corporate video production agency in Singapore](#)).
