For the Aubrey Independent School District, Durham operates 34 combined regular and special education routes.

“Durham School Services has provided transportation services to WFISD students for many years, and we are excited for Durham to continue their service as WFISD opens its new schools, Memorial and Legacy High Schools, later this year,” said Scot Hafley, Executive Director of Operations, Wichita Falls Independent School District. “The work and cooperation between WFISD and Durham has been outstanding as we prepare to open a new chapter in the history of our school district.”
