

QuaerisAI to Sponsor in Dremio Subsurface Conference in NYC

Subsurface brings together the best minds in data, analytics and AI space. QuaerisAI will be showcasing Converged Enterprise Search & Operational Query product!

NEW YORK, NY, US, April 30, 2024 /EINPresswire.com/ -- QuaerisAI, a cutting-edge Generative AI

"We are thrilled to be a part of the Dremio Subsurface conference as QuaerisAI is a natural extension of Dremio. We are literally the Yin & Yang of enabling data availability." "

Rishi Bhatnagar, CEO & Co-Founder of QuaerisAI.

platform company, is pleased to announce its participation in the upcoming Dremio Subsurface conference in New York City. The conference, taking place on May 2nd and 3rd at Convene in New York City, will bring together industry leaders and innovators in the field of data, engineering, analytics and AI.

QuaerisAI will be showcasing its latest platform and its Neural Net engine driven solution that promises a [Converged Enterprise Search](#) experience with focus on searching through data as well as documents securely using natural language. This promises to improve

productivity of business users and executives by several degrees and expand availability of data to rank and file.

"We are thrilled to be a part of the Dremio Subsurface conference as QuaerisAI is a natural extension of Dremio," said Rishi Bhatnagar, CEO & Co-Founder of QuaerisAI. "Just the way, Dremio offers lakehouse for less than 50% TCO, Quaeris enables consumption of lakehouse data at lightning speed for way less than 50% TCO of traditional tools."

For more information about the conference and to register, please visit www.dremio.com and www.quaeris.ai.

About QuaerisAI

QuaerisAI is a leading artificial intelligence company and its mission is to help organizations with last-mile data and document search to drive adoption of data and achieve true digital transformation.
