Here is background on this news. Learn And Play® Montessori School proudly extends its best-in-class daycare methodology to its newly opened campus in Sunnyvale, California. Situated in the heart of Silicon Valley, the Sunnyvale campus offers a vibrant learning environment where children aged 18 months to 9 years can thrive. With a focus on integrating the Montessori method with STEM education, the daycare program in Sunnyvale provides a holistic approach to childcare, nurturing a love of learning while preparing children for future academic success. Conveniently located and equipped with state-of-the-art facilities, the Sunnyvale campus (<https://www.learnandplaymontessori.com/sunnyvale/>) caters to the needs of families in the South Bay area, providing accessible and high-quality childcare services.

Additionally, Learn And Play® Montessori School is excited to announce the upcoming opening of its campus in Hercules, California. Nestled in the East Bay region of the San Francisco Bay Area, the Hercules campus (<https://www.learnandplaymontessori.com/hercules/>) will offer the same exceptional daycare methodology, combining Montessori principles with STEM education. As with all Learn And Play® Montessori School campuses, the Hercules location will provide a supportive and enriching environment where children can explore, learn, and grow. With campuses in both Sunnyvale and Hercules, Learn And Play® Montessori School extends its reach across the North and South areas of the Bay Area, ensuring that families have access to high-quality childcare services tailored to their child's developmental needs.

Interested parents or guardians are encouraged to reach out to each Learn And Play® Montessori School campus for more information and to schedule a school tour. Seeing the campus in person provides a firsthand glimpse into the vibrant learning environment, allowing parents to witness the state-of-the-art facilities and experience the nurturing atmosphere firsthand.
