interest and mortgage insurance. The report teaches homeowners how to generate more income, access more funds, and become mortgage-free in a fraction of the mortgage term.

In the [How I Paid Off My 30-Year Mortgage in Less Than 3 Years! Report](#), Mujiba Salaam Parker, “The Empowerment Queen™”, uses her inspiring story of formerly being homeless, bankrupt, and on welfare to equip homeowners to own their homes outright. Parker provides a detailed step-by-step account of how she paid off her mortgage in

less than 1/10 of the expected time.

This timely and practical guide doesn't just explain why it is important to own a home free and clear, it shows homeowners how to use impactful information and effective steps to achieve their financial goal. In the [How I Paid Off My 30-Year Mortgage in Less Than 3 Years! Report](#), Parker includes background on mortgages and amortization, how to easily earn more income and access more funds without incurring debt, how her process is better than making bi-weekly mortgage payments, and how to save hundreds and thousands of dollars. She provides step-by-step instructions that will also help homeowners understand the mindset needed to become mortgage-free.

“If homebuyers plan to pay their mortgages over 30 years, they will be paying nearly double or possibly triple the amount of the purchase price,” says Parker. “It is much better to learn how to avoid paying this money to the bank or mortgage company before obtaining the loan, to easily pay it off in less than 10 years. I share my experience in the report, along with 8 detailed steps that homebuyers can take to save \$100,000 or more in interest and mortgage insurance.”
