

# Witnessing Aviation Maintenance Excellence at the 2024 AMC Competition

*Aviation professionals highlight the AMC competition where competitors worked to beat the clock to complete aviation maintenance and repair challenges.*

CHICAGO, UNITED STATES, May 1, 2024 /EINPresswire.com/ -- Aviation pros Miles O'Brien, Todd Curtis, John Goglia, Greg Feith, and Jason Lukasik share their experiences at the 2024 [AMC Competition](#) in Chicago. Every aspect of aviation maintenance and repair was on display as competitors worked to beat the clock.

This year more than 400 competitors from nearly 90 teams from maintenance schools, airlines, and the military tackled 27 aviation maintenance skills challenges. In the [Flight Safety Detectives podcast](#) recorded at the event, the pros discuss the displays of excellence and comradery witnessed at the event.

The high-energy event highlights the critical role of aviation maintenance professionals and gives the participants insights into opportunities in the industry. The event showcases the skill level of the participants. For some, it is a direct path to finding employment in the field.

Goglia, who is one of the founders of the competition a decade ago, shares AMC's plans to expand the competition to more aviation industry conferences. More maintenance teams will be
