

Head of the Founding Team of the Global Water Organization Commends Saudi Arabia's Leadership Role in Water Initiatives

Dr. Abu-Mouti highlighted the Kingdom's leadership role in national and global water initiatives

RIYADH, SAUDI ARABIA, May 2, 2024

/EINPresswire.com/ -- Head of the founding team of the Global Water Organisation, Dr. [Fahad](#) Abu-Mouti, commended Saudi Arabia's leadership role in water-related initiatives during launching the Saudi Water Forum.

Dr. Abu-Mouti highlighted the Kingdom's leadership role in national and global water initiatives, noting that through platforms such as the World Economic Forum and the establishment of a [global water organization](#), the Kingdom reaffirms its role as a leader in promoting international cooperation and collective action.

Furthermore, The Head of the Founding Team of the Global Water Organization emphasized that cooperation is not merely an option but a necessity in a world where water scarcity knows no borders. He noted that the challenges we face are multifaceted, requiring a collective effort from all parties.

Dr. Abu-Mouti explained that to address these challenges; we must adopt a global strategic perspective that promotes mutual understanding and international collaboration.

Furthermore, he highlighted the announcement by His Royal Highness Prince Mohammed bin Salman bin Abdulaziz Al Saud, Crown Prince, & Prime Minister to establish a Global Water Organization, describing it as a pivotal moment in our collective journey towards sustainable water management.
