BROOKLYN, NEW YORK, UNITED STATES, May 2, 2024 / EINPresswire.com/ -- Since 2006 [VSPOT](#) has survived the 2008 Market Crash, The Pandemic and still remains as one of the best vegan restaurants in New York City.

Brothers Daniel & Alex Carabano leaned on their Colombian heritage to create VSPOT's menu, reflecting their Latino-heritage with dishes they enjoyed growing up in Brooklyn. VSPOT takes pride in creating healthy plant-based alternatives to traditional favorites like burgers and tacos.

Attorney Steven Simicich joined in 2011 and worked alongside the brothers to expand beyond park slope with catering/events all throughout the five boroughs. Vegan has come a long way and continues to appeal to a larger audience hungry for the fresh, made-from-scratch, plant based dishes.
