

Nurtific's Strategic Partner Blue Star OTC:BSTO Signs Agreement with Engineering Powerhouse

ALISO VIEJO, CA, UNITED STATES, May 2, 2024 /EINPresswire.com/ -- [Blue Star Opportunities Signs Agreement with Engineering Powerhouse](#)

[Blue Star Opportunities Corp.](#) (The "Company") (OTC: BSTO), announces today a strategic agreement with Canadian software powerhouse, Sygenics Inc of Montreal, QC, a leading supplier of advanced technology with wide expertise in the conception and building of intelligent systems.

Some people call this artificial intelligence, but the reality is this technology will enhance us. So instead of artificial intelligence, I think we'll augment our intelligence."

Ginni Rometty

Sygenics has a 30-year history of designing, developing and deploying adaptive forward software platforms across diverse sectors with a special focus on Healthcare industries.

Sygenics' expertise in building health intelligence systems, especially in the clinical space, demonstrates a strong expertise in advancing healthcare through the development of intelligent technology. Sygenics has been involved over the years in the conception of a significant number of health-related intelligence systems.

As a result of this agreement, the Company will rely on Sygenics for all current and future systems and applications developments including the deployment of AI driven functionalities. More information on Sygenics can be found at <https://sygenics.com/>

The Company sees the current agreement as a critical support for its AI safety offerings to individuals and families and its other lines of health maintenance science-based products.
