

Jeff Kagan Interviews increase client visibility in chaotic market

Your corporate branding and messaging on Twitter, LinkedIn and Google

MARIETTA, GA, UNITED STATES, May 3, 2024 /EINPresswire.com/ -- Jeff Kagan Interviews is a new service which helps client companies, large and small, increase visibility in a loud and chaotic marketplace.

How do you increase your company's visibility in a loud and chaotic marketplace?

How do you reach new customers, investors, workers and the media? Jeff Kagan has been doing this for three decades."

Jeff Kagan

This is a real challenge for the business community. The industry is rapidly growing, there are many competitors, and they are all shouting. This loud and chaotic marketplace makes it difficult for companies to have their message and brand be seen and heard.

That is why Jeff Kagan Interviews was just created and just launched.

This is how it works.

First, after becoming a client, an interview is recorded and

posted on Twitter and LinkedIn. Jeff Kagan Interviews has roughly 200,000 followers on these sites. Plus, these are re-posted by powerful influencers reaching millions more followers.

Second, a Press Release is posted on search engines like Google, which promotes the Twitter and LinkedIn interview to a larger audience. These last for years.

The aim is to raise visibility and awareness of the client company.

Jeff Kagan Interviews are an easy way to expand client company reach. This can be done on a monthly basis going forward. This will increasingly expand client company reach.

These interviews are a way to help you increase your visibility. To be seen and heard in your industry. Period.
