

Barton Gilman Promotes Darlene Thebaud to Partner

BOSTON, MA, UNITED STATES, May 6, 2024 /EINPresswire.com/ -- Barton Gilman is pleased to announce that [Darlene Thebaud](#) has been promoted to partner at Barton Gilman LLP.

"Darlene is a seasoned litigator with an outstanding reputation in civil litigation with significant jury trial experience. We are delighted she has become a partner in the firm," said Co-Managing Partner, [Ed Shoulkin](#). "Her well-deserved promotion reflects her exceptional abilities and outstanding contributions to the firm and the needs of our clients."

An experienced litigator with more than 20 years of experience, Darlene represents clients in the state and federal courts in Massachusetts.

Darlene has also handled appeals before both the Massachusetts Appeals Court and U.S. Court of Appeals for the First Circuit. She concentrates her practice in personal injury and property damage litigation including wrongful death, premises liability, motor vehicle accidents, negligent security, fire losses, casualty, and construction defect cases. Throughout her career, she has litigated numerous complex commercial and personal claims, and handled more than 40 jury trials. She is also skilled in alternative dispute resolution and has represented clients in hundreds of mediations and arbitrations. Prior to joining the firm in 2022, Darlene worked for 14 years at Liberty Mutual as a defense attorney. She also managed her own plaintiff's personal injury practice for more than two years. At the outset of her legal career, Darlene worked for a medical malpractice defense firm and a plaintiff's personal injury and family law firm. Her work included litigating catastrophic personal injury cases including sexual abuse cases. Darlene received a B.A. from Boston University and a J.D. from Suffolk University Law School.

Darlene is also an exceptional mentor to her colleagues and has been a coach to college and law school students throughout her career. She previously tutored law students for the bar exam
