Rave Reviews for "I'm Not the Story, Just Part of the Story":

Meggi encourages us to thoughtfully examine our own hearts and to decide daily to realign our path to be part of God's story, rather than our own.

-Dr. Molly Price

Meggi's contagious zeal for the things of God and her love for Him and His word inspire me to press on towards the story He has written for my life. We all have a story and a choice. Will we live out our story in the way of our choosing fashioned by our own hands or become part of the greater story of God our Creator? It is Meggi's heart's desire that as you read this book you will make the choice to not be the story but be Of the Story.

- Diane Fanta

Meggi Stewart did an exceptional job in this book. Her writing is mesmerizing. I had only intended to read one chapter, but I couldn't put it down until I read half the book. The book combines a good balance of stylistic clarity with a spiritual discernment. I highly recommend this book to anyone open to spiritual growth.
