

Dr. Surendra Patil at Polaris Healthcare Leads the Way in Advanced AVN Treatment

PUNE, MAHARASHTRA, INDIA, May 6, 2024 /EINPresswire.com/ -- Polaris Healthcare, a distinguished institution specializing in orthopedic care, is making significant strides in the [treatment of Avascular Necrosis \(AVN\)](#) under the guidance of Dr. Surendra Patil. Dr. Patil's adept use of advanced techniques and evidence-based approaches is transforming the landscape of AVN care, bringing new hope to patients facing this challenging condition.

Avascular Necrosis, or osteonecrosis, is a serious orthopedic disorder characterized by the death of bone tissue due to a compromised blood supply. This condition commonly affects weight-bearing joints such as the hips, knees, and shoulders, leading to pain, reduced mobility, and potential joint collapse if left untreated. Managing AVN is complex and demanding, often necessitating sophisticated interventions to mitigate symptoms and preserve joint function.

Dr. Surendra Patil

Dr. Surendra Patil, a renowned [orthopedic specialist at Polaris Healthcare](#), excels in utilizing advanced treatment modalities to optimize AVN patient outcomes. His expertise spans from conservative approaches to salvaging the native femoral head and avoiding the need for Total Hip Replacement (THR) surgery using stem cell therapy, to more advanced cases involving Total Hip Replacement surgeries employing robotic and non-robotic methodologies.

"At Polaris Health Care, our commitment is to deliver the most effective and evidence-based treatments for AVN," explained Dr. Surendra Patil. "We prioritize integrating advanced techniques that have proven success in enhancing patient outcomes and overall well-being."

Under Dr. Patil's leadership, Polaris Healthcare adopts a comprehensive approach to AVN treatment, incorporating state-of-the-art diagnostic tools, personalized treatment plans, and

advanced surgical and non-surgical interventions. Polaris Healthcare's dedication to excellence in orthopedic care is evident through its emphasis on patient education and rehabilitation, ensuring comprehensive and enduring results.

Dr. Patil's proficiency extends beyond technical expertise; he is committed to fostering a compassionate and patient-centric environment at Polaris Healthcare. Each treatment plan is meticulously tailored to meet the individual needs and goals of the patient, with a primary focus on minimizing discomfort and maximizing recovery.

"At Polaris Healthcare, we aim to empower our patients through education and support," emphasized Dr. Patil. "We believe in a collaborative approach where patients actively participate in decision-making throughout their treatment journey."

The impact of Dr. Surendra Patil's contributions at Polaris Healthcare has garnered widespread recognition within the medical community and among AVN patients alike. His unwavering commitment to advancing AVN treatment through established advanced techniques underscores the healthcare's position as a trailblazer in orthopedic excellence.

Under Dr. Patil's leadership, Polaris Healthcare continues to redefine standards of AVN treatment by leveraging proven methodologies and prioritizing patient-centered care. This commitment reflects the healthcare's dedication to excellence and its profound impact on improving the lives of individuals affected by AVN.

About Polaris Healthcare

After catering to corporate hospitals for over a decade, the duo Dr. Surendra Patil and Dr. Ujwala Patil decided to commence their multidisciplinary hospital in 2011 as a super-specialty orthopedic center along with a center for Natural Birthing and Gynaecology.

After encountering multiple cases and witnessing a crunch between the doctors and patients, they felt a need to start a space of their own where they could guide the patients in the right direction with personalized care and empathetic treatment. Their willingness to go above and beyond for their patients led to the conceptualization of Polaris Healthcare.

Backed by multiple orthopedic specialists and talented staff, Polaris HealthCare puts patients' welfare at the forefront. Recognized as one of the top-notch [orthopedic hospitals in Pune](#), Polaris Healthcare treats a series of complex knee and joint disorders with better treatment options and provides top care for their patients before and after surgery.
