

# April is Global Volunteer Month

---

ATLANTA, GEORGIA, UNITED STATES, May 6, 2024 /EINPresswire.com/ -- April celebrates Global Volunteer Month, which recognizes volunteers around the world and is the perfect time to make a plan to volunteer in the community.

Points of Light Launches PSAs Inspiring People to “Join the Movement” Through Volunteering. Volunteering is critical to strengthening communities. But it’s on the decline, which means now is the time to jump in. Individuals can make a difference every day. It just takes that first step to get involved.□

Points of Light, the world’s largest organization dedicated to volunteer service, offers two new and compelling PSAs to help people see themselves as the changemakers they already are, because every act of service builds a more connected world.
