

CoreStack Wins Top Cloud Security Automation Award at RSA Conference 2024

CoreStack Wins Market Leader Cloud Security Automation in 12th Annual Global InfoSec Awards at RSAC 2024

BELLEVUE, WA, WASHINGTON, UNITED STATES, May 6, 2024 /

EINPresswire.com/ -- CoreStack, a global multi-cloud governance provider, is proud to announce the recent win of the coveted Market Leader Cloud Security Automation award, recognizing its innovative approach to securing cloud environments.

CoreStack Wins Top Cloud Security Automation Award at RSA Conference 2024

“This award is a tremendous honor, especially coming from such a respected cybersecurity publication as Cyber Defense Magazine,” said Ezhilarasan (Ez) Natarajan, CEO of CoreStack.

“

We scoured the globe looking for cybersecurity innovators that could make a huge difference. CoreStack is absolutely worthy of this coveted award and consideration for deployment in your environment.”

Yan Ross, Global Editor of Cyber Defense Magazine

“Being recognized by industry leaders validates our commitment to providing best-in-class cloud security automation solutions.”

Cyber Defense Magazine lauded CoreStack’s ability to:

- Automate critical security tasks, freeing up IT resources and streamlining cloud security processes
- Deliver continuous and autonomous governance, ensuring consistent security posture across multi-cloud environments
- Leverage AI and machine learning to proactively identify and address security threats

“We scoured the globe looking for cybersecurity innovators that could make a huge difference and potentially help turn the tide against the exponential growth in cyber-crime. CoreStack is

absolutely worthy of this coveted award and consideration for deployment in your environment,” said Yan Ross, Global Editor of Cyber Defense Magazine.

“We are thrilled to be a part of this esteemed group of winners,” said Natarajan. “Our team is dedicated to providing our customers with the cybersecurity tools their cloud environments demand, and this award is a testament to that.”

About CDM InfoSec Awards

This is Cyber Defense Magazine’s twelfth year of honoring InfoSec innovators from around the Globe. Our submission requirements are for any startup, early stage, later stage, or public companies in the INFORMATION SECURITY (INFOSEC) space who believe they have a unique and compelling value proposition for their product or service. Learn more at www.cyberdefenseawards.com

About the Judging

The judges are CISSP, FMDHS, CEH, certified security professionals who voted based on their independent review of the company submitted materials on the website of each submission

including but not limited to data sheets, white papers, product literature and other market variables. CDM has a flexible philosophy to find more innovative players with new and unique technologies, than the one with the most customers or money in the bank. CDM is always asking "What's Next?" so we are looking for best of breed, next generation InfoSec solutions.
