

GlobalSpeak Translations Participates in the 2024 Offshore Technology Conference (OTC), May 6-9, 2024 | Houston, TX

GlobalSpeak Translations' participation in the 2024 OTC in Houston marks a pivotal moment in global energy and dialogues around sustainable energy.

HOUSTON, TX, UNITED STATES, May 6, 2024 /EINPresswire.com/ -- The [Offshore Technology Conference](#)'s over 50-year legacy fosters innovation and collaboration among energy professionals worldwide, and [GlobalSpeak Translations](#) brings a unique language-meets-technology focus to the energy industry table.

GlobalSpeak Translations' commitment to bridging linguistic and cultural gaps, with expertise in United States and Mexico energy sector business relations, takes center stage, aligning perfectly with the conference's theme of facilitating and accelerating global energy technology.

“

The common goal of leading the global energy evolution starts with cultural understanding and language diversity. GlobalSpeaks' energy sector translation expertise is a competitive advantage.”

Flor Dimassi, CEO

GlobalSpeak Translations - Oil and Gas, Energy, Logistics and Industry Language Translators

At OTC 2024, GlobalSpeak Translations is poised to showcase how effective translated language communication is integral to driving innovation and operational efficiency in the global energy sector. With a focus on diverse conversations spanning oil and gas, renewables like solar and wind, hydrogen, and marine resources, GlobalSpeak Translations emphasizes the importance of clear, accurate, and culturally relevant communication in navigating the complexities of the sustainable energy revolution.

We are especially excited to see the [2024 Spotlight on New](#)
