

Ocean Edge Services Establishes Joint Venture and New Corporation in Guyana

Ocean Edge Services of Houston, Texas, and Atlantic Marine Supplies of Georgetown, Guyana, have partnered to form Ocean Edge Services (Guyana) Inc.

HOUSTON, TEXAS, USA, May 6, 2024 /EINPresswire.com/ -- Ocean Edge Services, Inc. (OES) announced today the official formation of a new corporation in Guyana named Ocean Edge Services (Guyana) Inc. The new entity is an expansion of a three-year working relationship with Atlantic Marine Supplies, Inc. (AMSI), and a formalized joint venture between the two companies.

Ocean Edge Services (Guyana) Inc. will headquarter in Georgetown, Guyana. Plans include a new, permanent facility to be established in Georgetown within six months that will offer a full set of services to the expanding oil and gas industry in the country.

“OES project activity in Guyana has been steadily increasing, and we felt that now was the right time to formalize our partnership with Atlantic Marine Supplies and put down roots as a Guyanese corporation,” said Raouf Hadad, COO of Ocean Edge Services and who will serve as Managing Director of the new company. “We recognize the challenges accompanying this international expansion, but we are committed to the long-term development of business in Guyana, to supporting our customers operating in the region, and to the Guyanese economy. All of us at OES are excited about the future of this joint venture.”

Executing incorporation documents for Ocean Edge Services (Guyana) Inc. are board members Moen McDoom Jr., McDoom & Company, Georgetown; Raouf Hadad, COO of Ocean Edge Services, Houston; and Vincent Thakur, Managing Director of AMSI, Georgetown

The initial board of directors for Ocean Edge Services (Guyana) Inc. includes Raouf Hadad; Vincent Thakur, Managing Director of AMSI; and Moen McDoom Jr., partner at McDoom & Company, attorneys at law, a Georgetown, Guyana, firm.

The 2015 and subsequent discoveries of large oil reserves off the coast of Guyana has had immense impact to the people and the economy of the nation. It has made Guyana the world's fastest-growing economy. In both 2022 and 2023, Guyana recorded the highest real GDP growth rates of any country worldwide.
