

Simcoe County Heavy Construction Association Elects Inaugural Woman President

Chantal Séguin of Summit Rentals takes the seat, marking a new standard for inclusive leadership within the construction industry.

WHITCHURCH-STOUFFVILLE, ONTARIO, CANADA, May 8, 2024 /EINPresswire.com/ -- The [Simcoe County Heavy Construction Association](#) (SCHCA) has named Chantal Séguin its new and first woman president, marking a significant milestone in the organization's history and the construction industry.

Séguin serves as the General Manager of Summit Rentals, a prominent supplier of road safety devices specializing in temporary concrete barriers, noise barriers, and crash cushions. Summit Rentals operates as a division of [RSG International](#), a renowned global leader in the road safety infrastructure sector.

"I am honoured to have been appointed as President, the members have advocated for me and championed my causes since joining the board in 2019," explained Séguin. "I love that we advocate for members within Simcoe County, a place I happily call home."

Bringing over a decade of experience in heavy construction, Séguin has held management positions for general contracting road construction, rail, and road safety devices. She is also a member of the Board of Directors for the Barrie Construction Association (BCA).

"RSG International is thrilled for Chantal (Séguin) as she takes on this new role. She is laying the foundation for a future where equality and opportunity know no bounds. A tireless advocate and we're excited to witness her transformative impact on the industry," added Lisa Laronde, the first woman President of RSG International.

Séguin says during her two-year term she intends to keep advocating for youth through various
