at the 2024 Met Gala celebrating "Sleeping Beauties: Reawakening Fashion". Platinum, the naturally white setting that truly enhances the brilliance of diamonds and colored gemstones, was the accessory of choice to create many iconic fashion moments.

The most notable platinum jewelry trends were nature inspired motifs as seen on Jennifer Lopez and Demi Moore, and colored gems showcased by Kaia Gerber and Gabrielle Union.

[Platinum Guild International](#) is pleased to share that leading red carpet jewelry brands such as Tiffany & Co., Fred Leighton, Cartier, Harry Winston, De Beers, and Lorraine Schwartz styled top celebrities in their exquisite platinum designs.

"Platinum jewelry epitomizes luxury, beauty and timeless elegance, which makes it a popular choice at the Met Gala year after year" said Platinum Guild International CEO Tim Schlick. "Tonight's gala enabled designers to showcase the versatility of the metal."

The following stars wore these specific pieces of platinum jewelry to the Met Gala:

About Platinum Jewelry

Platinum is the ideal choice for red carpet jewelry because it holds diamonds and precious

gemstones more securely than any other metal. It is not only the highest quality metal, but its density makes it one of the most durable and enduring precious metals. Platinum is also naturally white, unlike white gold, which means it will not cast any tint onto a diamond or gemstone, allowing the stone's genuine color to sparkle brightly.
