

SARD Anti-Cheat Wins “Best Startup in the Region” at GISEC 2024

SARD Anti-Cheat won the “Best Startup in the Region” award at GISEC 2024, a prominent cybersecurity event in Dubai.

YEREVAN, 0018, ARMENIA, May 7, 2024 /EINPresswire.com/ -- GISEC Global, a premier event in the realm of cybersecurity, was held in Dubai from April 22-25. This year, the event attracted 750 leading companies, 350 speakers, and over 20,000 visitors from 130 countries.

Parallel to the expo and conference, the Cyber Stars competition took place, featuring 70 startups competing for recognition in five categories. Following two rounds of pitch and Q&A sessions, the professional jury recognized [SARD Anti-Cheat](#) as the winner in the "Best Startup of the Region" category.

Anna Gasparyan, Business Development Manager at SARD Anti-Cheat, who represented the company at the pitch battle, remarked on the win: "The reach of GISEC Global spans from the Middle East to Africa and Europe. Being acknowledged as the best in this extensive region and receiving praise from globally influential jurors is a tremendous honour for us. It reaffirms that we are on the right path, and SARD Anti-Cheat

is on the verge of achieving global success."

GISEC serves as a vital platform for exchanging ideas and innovations among cybersecurity professionals and companies. This year's participants included industry leaders like Cisco, Kaspersky, Microsoft, Amazon Web Services, and Cloudflare.

At the expo, the SARD team showcased SARD Anti-Cheat, a recent innovation designed to address a major challenge in the video game industry - cheating and hacking in online games. SARD Anti-Cheat helps gaming companies safeguard their revenue and ensure a fair competitive environment for players.
