

RLAB: M2MMA Unveils M2MMA2: The Brouhaha by the Bay

DUBAI, UNITED ARAB EMIRATES, May 7, 2024 /EINPresswire.com/ -- Real American Capital Corp (RLAB), trading as M2MMA, the avant-garde powerhouse reshaping the landscape of combat sports, is thrilled to announce M2MMA2, The Brouhaha by the Bay.

Set to unfold on June 12th, M2MMA2 will grace the prestigious [Sinbi Boxing Stadium](#), nestled in the heart of the breathtaking Phuket, Thailand. Building upon the phenomenal success of its debut, M2MMA2 will spotlight the island's homegrown talent, paying homage to Phuket's thriving martial arts culture and giving back to the community that has warmly embraced M2MMA.

Grand Master Woody, the revered [World Muaythai Organization](#) (WMO) founder and the newly appointed Honorary Chairman of M2MMA's Advisory Board, will preside over this spectacular showcase of skill and sportsmanship. His presence pays tribute to Muay Thai's storied legacy and underscores the global significance of combat sports. Grand Master Woody's profound influence within the martial arts community promises to attract enthusiasts from all

corners of the globe, eager to witness the fusion of tradition and innovation at M2MMA2.

Jeff Robinson, CEO and Executive Chairman of M2MMA, enthusiastically discusses the upcoming event, stating, "M2MMA2 marks a significant milestone for us. With the unwavering support of our global community, we're poised to set new standards of excellence in combat sports. Grand Master Woody's involvement underscores our commitment to blending tradition with innovation."

Robinson emphasises, "Aligned with our commitment to athlete welfare, we're harnessing leading-edge technology to elevate safety and support in combat sports. Our pioneering efforts include real-time data capture during fights, utilising cutting-edge camera technologies and equipment sensors to gather physiological data. Through the integration of Artificial Intelligence (AI) and Machine Learning (ML) algorithms, we analyse this data to provide comprehensive insights into combat sports performance and athlete health."

He continues, "We're spearheading the integration of AI and ML with advanced camera technologies to capture real-time fight data and physiological metrics. This innovative approach enables us to deliver extensive pre-, post-, and long-term care for fighters, prioritising their well-being."

Furthermore, Robinson explains, "We're integrating sensors into our equipment to monitor a

wide array of crucial data points, including performance metrics, biomechanics, and injury indicators. We aim to optimise training methods and enhance overall performance by empowering athletes and coaches with actionable insights."

In conclusion, he states, "The database we're building will stand as an unparalleled resource, specifically tailored to address brain trauma and sports-related injuries. Through this initiative, we're transforming the landscape of combat sports and leading the charge in athlete safety and care."

In addition to the electrifying matches and awe-inspiring displays of talent, M2MMA2 will offer fans an immersive experience with entertainment, interactive activities, and opportunities to engage with the martial arts community. [Lui Muay Thai](#), the esteemed production company behind the seamless execution of M2MMA1, will once again spearhead the event's production, ensuring a superior broadcast-quality experience for attendees and viewers alike.

As anticipation builds for the upcoming event, M2MMA remains steadfast in its mission to redefine the combat sports and entertainment landscape. With plans to launch M2MMA Africa, M2MMA Australia, and M2MMA UAE, the organisation is poised to tap into the rich talent pools across these continents, further solidifying its global dominance in the martial arts world.

M2MMA is implementing an aggressive acquisition strategy to facilitate this ambitious expansion, targeting many independent combat sports promotions companies. Through this approach, M2MMA aims to amalgamate diverse expertise, capitalise on operational efficiencies, and unite varied talents and resources within a single entity. Ongoing discussions with these promotion companies underscore M2MMA's commitment to consolidating its presence and shaping the future of combat sports on a global scale.

Adding to the excitement, Jade Sirisompan, MD of M2MMA Asia and a former professional fighter herself, shares her anticipation for the event, stating, "As a former professional fighter, I understand firsthand the significance of events like M2MMA2. Having my father present at the event will make it truly special, as it brings together my journey in combat sports with our collective mission to elevate the industry."
