

# Introducing the Fenix PD25R: Every Day Carry Flashlight with New Color Option

*Everyday Carry with Enhanced Performance*

LITTLETON, COLORADO, UNITED STATES, May 7, 2024 /

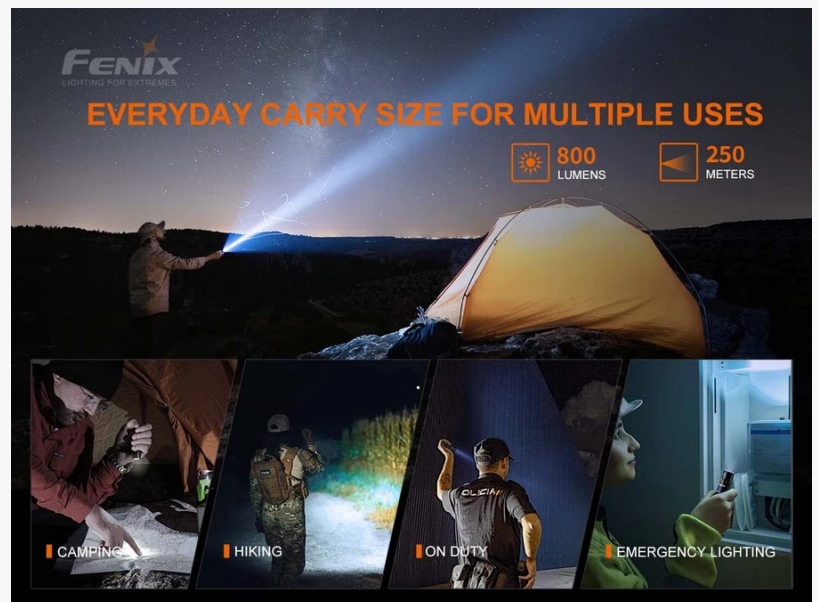

EINPresswire.com/ -- [Fenix Lighting](#), the leading provider of premium lighting solutions, is proud to announce the release of the [Fenix PD25R rechargeable EDC flashlight](#), now available in a stylish new color. Made to conveniently carry every day, the Fenix PD25R is available in black and the new Sierra Green!

With a maximum output of 800 lumens and a beam distance of 820 feet, the PD25R provides powerful illumination for any situation. It comes equipped with an included 16340 rechargeable Li-ion battery, ensuring long-lasting performance. Alternatively, it can be powered by one CR123A lithium battery for added convenience.

Featuring a two-position body clip, the PD25R can be securely attached to a pocket or a pack for everyday carry. Its IP68 rating makes it dust and waterproof, providing reliable performance in all environments.

PD25R Sierra Green

Fenix PD25R rechargeable EDC flashlight

The PD25R offers six lighting modes, including five brightness levels and strobe, controlled by a tail switch for on/off and a mode-selecting side switch for easy operation. Additionally, the

PD25R includes a boot-up battery level indicator to alert the status of the battery.

Compact, versatile, and stylish, the Fenix PD25R rechargeable flashlight is the perfect EDC companion for on-the-job tasks and outdoor adventures.

#### Key Features:

Max 800 lumen output from one included 16340 rechargeable li-ion battery or one CR123A lithium battery

Six lighting modes including five brightness levels and strobe

Boot-up battery level indicator

Tail switch activation with a mode-selecting side switch

Limited Lifetime Guarantee from Fenix Lighting USA

The Fenix PD25R with new Sierra Green color is now available on Fenix Lighting's official website or through authorized retailers.

#### About Fenix Lighting:
