"As long as I draw breath, God has placed it upon my heart to serve Wells of Life and bring clean water to our brothers

and sisters in Uganda. It is my calling, my purpose, and I will continue this mission until God calls me home." - Sister Joan Hogan

One of Sister Joan's most remarkable feats is her personal connection to the wells she helps to fund. Despite her advanced age, she regularly visits Uganda to see the impact of her fundraising firsthand. Her most recent visit was in 2019, before the onset of the COVID-19 pandemic, where she witnessed the life-changing effects of clean water on the communities she serves.

Nick, Founder and CEO of Wells of Life, expressed his admiration for Sister Joan's remarkable achievements, stating, "Sister Joan Hogan's dedication and passion for our cause are truly inspiring. Her unwavering commitment to providing clean water to those in need is a testament to the power of compassion and the impact that ONE individual can have on the world."

Sister Joan's fundraising efforts for Run4Water 2024 have not only contributed to the restoration of numerous wells but have also inspired countless others to get involved in the fight against the global water crisis. Her selfless acts of kindness serve as a shining example of the difference that can be made through sheer determination and compassion.

As Run4Water 2024 draws to a close, Sister Joan's remarkable achievements for the third consecutive year serve as a reminder of the profound impact that individuals can have when they dedicate themselves to a cause greater than themselves. The organizers of Run4Water extend their heartfelt gratitude to Sister Joan and all who have supported her fundraising efforts.
