Martin Gooch created the GOOCHAPALOOZA EXTRAVAGANZA! AWARDS to honor the talented and dedicated film professionals in the industry he has worked with. As a creative script writer and director, he created some uniquely named awards rather than the traditional 'Outstanding Achievement' award. So Martin has created the uniquely named 'Endless Patience In The Face of Technological Evil Award' awarded to Editor Bec MC Jagger for her outstanding editing work on 'Dawn's Demon' amongst many other brilliantly named awards. Celebrity coordinator Rhea Elliott-Jones, winner of the 'CLIMBING A THOUSAND MOUNTAINS' AWARD coordinated the event.

Julius Just and Kim Grahame winners of 'SPREADING THE WORD' AWARD represented the Press and Public Relations for the awards.

Watch out for the next GOOCHAPALOOZA EXTRAVAGANZA! AWARDS as Martin Gooch is relocating to California and plans to hold the next GOOCHAPALOOZA EXTRAVAGANZA! AWARDS in the USA.
