

USA Cyber Emerges: MB Technology Solutions and SERA BRYNN Unite

ST. LOUIS, MISSOURI, USA, May 16, 2024 /EINPresswire.com/ -- In a landmark move, MB Technology Solutions, a leader in innovative [IT](#) solutions with a strong focus on [cybersecurity](#), cloud hosting, and managed IT services, and Sera Brynn, a top-tier cybersecurity and compliance firm and one of the forty-two accredited FedRAMP Assessors, have announced their merger to form [USA Cyber](#). This merger is set to redefine the cybersecurity landscape by providing a comprehensive suite of services designed to protect businesses from emerging cyber threats. Post-merger, USA Cyber will focus on Technology and Cybersecurity while Sera Brynn will concentrate exclusively on compliance, offering unparalleled expertise in navigating the complex regulatory environment.

Ryan Mortland, CEO of MB Technology Solutions:

"I am incredibly enthusiastic about our merger with Sera Brynn to create USA Cyber. The combined entities will deliver unparalleled value and protection to our clients by offering a holistic approach to technology solutions. Together, we stand stronger, equipped to navigate the ever-increasing cyber threat landscape. Furthermore, the merger emphasizes our dedication to cybersecurity regulatory compliance, specifically CMMC compliance."

Jeff Farr, CEO of Sera Brynn:

"We are thrilled to announce the birth of USA Cyber. A great merger is about bringing great people together. Ryan and I have been colleagues and friends for many years, envisioning the incredible synergies that would result in combining our fantastic cultures, it was an obvious decision."

We are thrilled to announce the birth of USA Cyber. A great merger is about bringing great people together."

Jeff Farr
