

# ColoWell America Unveils Advanced Non-Surgical Medical Aesthetics Services, Elevating Wellness and Beauty in Tampa, FL

*ColoWell America Adds Innovative Procedures for a More Comprehensive Approach to Wellness in Tampa, FL*

TAMPA, FLORIDA, U.S.A, May 11, 2024 /EINPresswire.com/ -- ColoWell America, a leader in integrated health and aesthetic solutions, announces the launch of its comprehensive [Medical Aesthetics Treatments](#). This new venture aligns with ColoWell America's mission to blend health enhancement with aesthetic innovation, offering a range of non-surgical treatments that provide significant wellness and beauty benefits.

ColoWell America's EMFACE offers a [non-surgical facelift in Tampa, FL](#) that rejuvenates the face by simultaneously lifting and toning the skin and muscles. Clinical results show up to a 23% improvement in lifted facial features and 30% reduction in wrinkles (BLT introduces EMFACE 2022). This advanced procedure uses a combination of radiofrequency and HIFES technologies to stimulate collagen production and enhance facial contours.

“

Our Medical Aesthetics services are about empowering individuals to feel their best and embrace a lifestyle of wellness.”

Exion Microneedling Radiofrequency complements our facial rejuvenation services, delivering a comfortable treatment experience. With 82% of patients reporting high

comfort levels (Clark-Loeser, LR & Halaas, Y 2022) and 93% expressing satisfaction (Duncan, D. 2023), this technology ensures effective and patient-friendly facial rejuvenation.

Emsculpt NEO represents the pinnacle of [non-invasive body contouring](#) technology at ColoWell America. This innovative treatment combines radiofrequency heating with high-intensity focused electromagnetic waves, simultaneously reducing fat and increasing muscle mass. Clinical studies

demonstrate a 30% reduction in subcutaneous fat and a 25% increase in muscle depth (Kinney, B. M., & Lozanova, P. 2019).

The Emfemme treatment advances women's intimate wellness by improving vaginal health and enhancing sexual well-being. This 8-minute, non-invasive therapy addresses concerns like discomfort and reduced sensation.

"These new Medical Aesthetics services are more than cosmetic enhancements; they empower individuals to embrace wellness and confidence," says Dr. Shiraz Farooq, founder of ColoWell America. "Each treatment embodies our commitment to innovation and high-quality care."

ColoWell America's aesthetic services are backed by scientific research and tailored to ensure safety and effectiveness. The treatments not only improve physical appearance but also enhance self-esteem and overall quality of life, reflecting ColoWell America's holistic approach to healthcare.
