Located at 800 Airport Road, Winchester, VA 22602, AMK Products has built a strong reputation for its extensive inventory of auto fasteners, bolts, nuts, screws, washers, studs, and other essential automotive components. The company's success is driven by Max Kotlowski's vision and unwavering commitment to quality and customer satisfaction.

“When I started AMK Products 34 years ago, I had a simple goal: to provide the automotive restoration niche with the best fasteners and components available,” said Max Kotlowski, founder of AMK Products. “Today, I am proud to

see how far we have come and the impact we have made in the industry. Our success is a testament to the hard work, unrelenting focus on quality and dedication of our entire team.”

AMK Products takes great pride in its commitment to supporting American manufacturing. The company's policy, established by Max Kotlowski, requires that at least 80% of its products are Made in the USA. This emphasis on domestic production ensures that customers receive high-

quality, reliable products while supporting American jobs and the local economy.

As a supplier for automotive professionals and enthusiasts, AMK Products offers a comprehensive range of fasteners suitable for various applications. Whether customers are working on restoration projects, performing routine maintenance, or undertaking repairs, AMK Products has many of the hard to find components needed to complete the project.
