

Willow Lake Métis Group Welcomes Turning Point Surveys as Strategic Partner

REGIONAL MUNICIPALITY OF WOOD BUFFALO, AB, CANADA, May 10, 2024 /EINPresswire.com/ -- [Willow Lake Métis Group](#) is thrilled to announce a strategic partnership with Turning Point Surveys, enhancing our service offerings and leveraging their expert capabilities in surveying and geotechnical services across Alberta.

Turning Point Surveys, based in Fort McMurray, has carved a niche in providing comprehensive construction and specialty survey, UAV, and geotechnical services that uphold the

highest standards of precision and safety. Known for their dynamic and versatile team, Turning Point handles everything from heavy civil projects to underground, commercial, and municipal works, offering a one-stop solution for their valued clients throughout Western Canada. Their integrated services give clients a competitive advantage with a single point of contact, helping

“

This partnership isn't just a strategic alignment of services; it's a coming together of shared values and community focus.”

Andy Harnett, Chief Executive Officer

streamline their project requirements. Approaching their work with an unwavering commitment, their highly skilled team of professionals excels in tailoring their services to meet the specific and unique needs of each client and project, providing a personalized and responsive approach that ensures unparalleled satisfaction. This collaboration aligns with Willow Lake Métis Group's commitment to working with trusted industry businesses to ensure a healthy and profitable Indigenous workforce in the region.

Andy Harnett, CEO of Willow Lake Métis Group, expressed his enthusiasm about the partnership, stating, "We're excited to bring Turning Point Surveys into our infinity of trusted partners. Their robust offerings and commitment to safety and efficiency perfectly complement our mission to build capacity and become the Indigenous industry partner of choice. This partnership isn't just a

strategic alignment of services; it's a coming together of shared values and community focus."

Cass Rhynes, Operations Manager at Turning Point Surveys, also commented on the partnership, "Partnering with Willow Lake Métis Group is a landmark step for us. Based right here in Fort McMurray, Willow Lake Métis Group not only brings us closer to our community but also offers a chance to significantly enhance our reach and capabilities. We're proud to join hands with a partner who truly understands the value of local presence and community involvement."

This new partnership is set to create substantial opportunities for both entities to expand their impact and foster sustainable community development in Alberta.
