LOS ANGELES, CA, UNITED STATES, May 9, 2024 /EINPresswire.com/ -- Throughout May, those who download the [Amalfi Jets](#) app will qualify for membership in the [Amalfi Reserve Program](#) at the discounted rate of just \$99 per month, a significant reduction from the usual \$500 monthly fee and the standard \$2,500 initiation fee will be waived.

To take advantage of this offer, interested travelers must download the Amalfi App and subscribe to the Membership in May.

Amalfi Reserve Membership

[Kolin Jones](#), Founder & CEO of Amalfi Jets, highlighted the program's appeal to discerning flyers seeking the flexibility of charter services without the commitment of substantial upfront costs.

"With this initiative, we aim to eliminate any initial hesitations associated with such an investment, allowing our clients ample time to experience the quality of Amalfi's services and booking process before making a full commitment," he said.

“

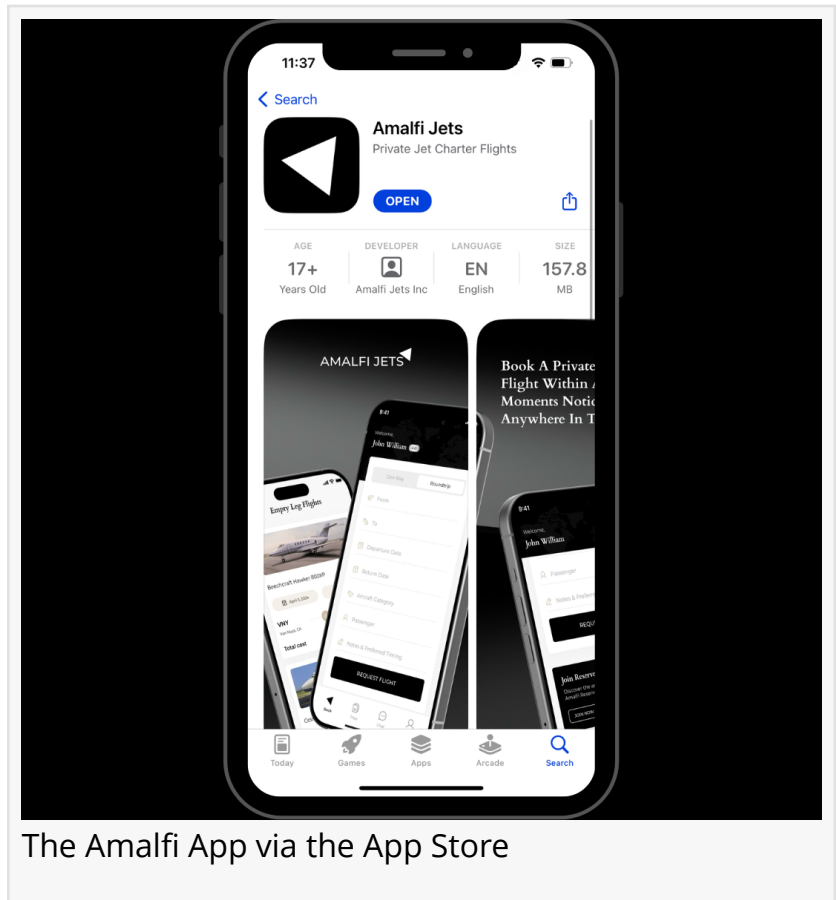

"We have seen a significant increase in our user base since launching our app in March and want to facilitate sustained growth with the launch of this promotion to new and existing app users."

The Amalfi Reserve Membership provides direct access to Amalfi's global aircraft network, access to capped hourly rates, discounted empty leg flights, and the company's lifestyle "Escapades" benefit suite. The promotion encourages private fliers to explore Amalfi's offerings before usually moving from the Amalfi Reserve Membership to the Amalfi One Jet Card Program.

"I have directly observed the uncertainties that come with making sizable deposits with companies in this industry. Through this new promotion, we're dedicated to entirely easing these concerns," said Brian Francis, President of Sales. "Our goal is not only to facilitate transactions but also to instill genuine confidence and trust in our clients, ensuring they embark on their journey with peace of mind and excitement for the experiences that await."

This transition signifies Amalfi's objective to embrace technology more fully in 2024. The company has already introduced the initial versions of its iOS and Android app and is now preparing to unveil its redesigned website in June of this year.
