

Premier Promotes Johannes Michalsky to Chief Operating Officer

Promotion represents a renewed client-focus at the interior design, project management, procurement, and corporate engineering firm

DALLAS, TX, UNITED STATES, May 9, 2024 /EINPresswire.com/ -- [Premier](#), an end-to-end architecture, design, procurement, project management, and corporate engineering firm with specialization in hospitality, multi-family residential, student housing, adaptive reuse, and mixed-use development, is proud to announce that [Johannes Michalsky has been promoted](#) to the role of Chief Operating Officer. Michalsky, most recently serving as Premier's Executive Vice President, boasts an 11-year tenure within Premier. Throughout his time within the organization, he has held numerous leadership positions, showcasing his adeptness and commitment to driving success.

“Since his appointment, Johannes has already advanced Premier’s position as a client-focused and results-oriented service organization,” states Hector Sanchez, Premier’s Chief Executive Officer. “Some of our longest-established clients were the first to express their excitement about the positive difference Johannes and the entire Operations team have made within their organizations.”

“

Perhaps most exciting for me is the opportunity to provide best-in-class service to our customers, and to continue to develop Premier’s talent.”

Johannes Michalsky, Chief Operating Officer

A significant goal of the new Chief Operating Officer role at Premier is to further cement the firm’s position as a customer service-focused organization. Michalsky’s vision for the role already includes plans for exceeding client

expectations with improved stakeholder collaboration, talent development, and a commitment to operational excellence through continuous process improvement.

“Perhaps most exciting for me is the opportunity to provide best-in-class service to our customers, and to continue to develop Premier’s talent,” states Michalsky. “To work alongside the experts on the Premier Project Management, Interior Design, Architecture, Procurement, Corporate Engineering, and Contract Administration teams is the most inspiring part of this new role. Premier is very fortunate to have the highest caliber of team members with hundreds of years of experience and industry-leading knowledge bringing our clients’ visions to reality. I really feel honored with this opportunity.”
