Capital Q Ventures Inc.*

URCSI is committed to community building and addressing the needs of the underserved property management market in an industry crowded with traditional solutions. Leveraging cutting-edge technology, URCSI enhances resident experiences while boosting profitability for property managers in high-density residential buildings. By facilitating seamless connections between residents, building management, and the surrounding community, URCSI not only enriches living experiences but also creates additional revenue streams for property managers.

"We are excited to secure this financial commitment from Capital Q Ventures Inc. and their Associates," said Jennifer Mulholland, Founder of URCSI. "This strategic partnership brings valuable expertise and resources that will accelerate our growth and solidify our position as a

leader in the property management software industry. Their support not only validates our mission but also strengthens our resolve to succeed. We're looking forward to a fruitful partnership and the remarkable journey that lies ahead."

Echoing the sentiment of collaboration and mutual growth, Michael "Q" Quatrini, CEO of Capital Q Ventures Inc., shared, "We at Capital Q are thrilled to embark on this journey with URCSI. Their Property Management Platform not only showcases their

innovative approach but also aligns with our commitment to nurturing ideas that have the potential to make a significant impact in the Worldwide Multifamily Industry. We're proud to support URCSI and eagerly anticipate the contributions they will make to their industry and beyond."
