

A UNIQUE SEARCH FOR IDENTITY IN CREATIVE NEW BOOK FROM A "GOBLIN QUEEN"

SOMEWHERE/NOT/HERE by *The Goblin Queen*

UNITED STATES, June 3, 2024 /EINPresswire.com/ -- A debut author has written an intriguing, free-form fantasy about a creature, a Goblin Queen, who searches for the place she belongs, all the while knowing that place is not where she is now.

In the creative [SOMEWHERE/NOT/HERE](#) by The Goblin Queen, readers will follow the exploits of the central character through prose, poetry and illustration. The book begins, "A goblin girl am I... I wandered into this world from Somewhere/not/here. A perfectly innocent mistake, I assure you. And there I was, being raised by two human parents. I could always tell what they were thinking: 'How ever did we get this changeling child, this curious creature?'"

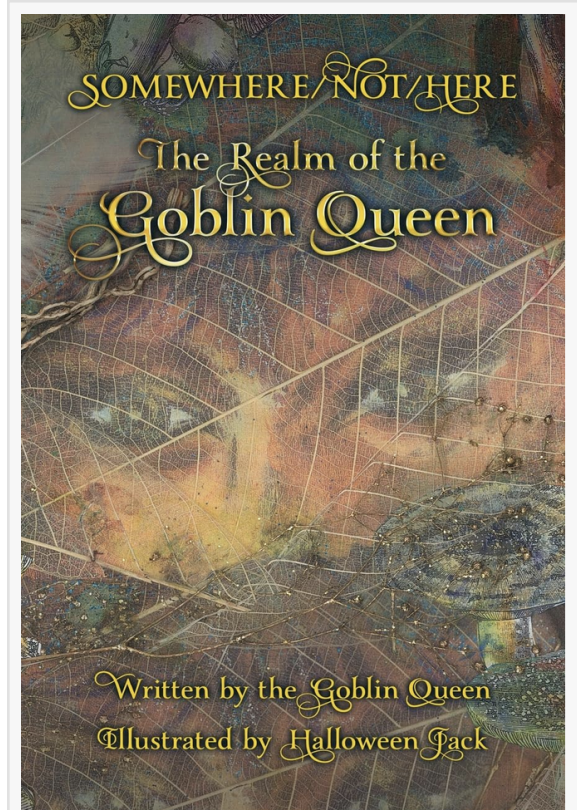

"I would stare back at them with my green goblin eyes and think, 'How did I get these cold care/less parents? This can't be right. I know I belong Somewhere/not/here.'"

Readers will embark on the Road to Ruin, a strange witchy woman who reads from her book of M-Tales. They will meet Shockappeal, the punk faerie, hang with Halloween Jack, and fly with the Techno-Witch, but be advised to avoid buying one of her moody brooms. The author also introduces a therapy session with the Magick Mirror.

Readers will travel to the lands of Love and Unlove – nice places to visit, but they wouldn't want to live there. The quest will lead through unconventional faerie tales, all the way to Hollyweird.

SOMEWHERE/NOT/HERE is a humorous and heartfelt adventure for anyone who has ever felt out of place or wanted to find their own path.

SOMEWHERE/NOT/HERE is available on [Amazon](#) and other popular retail outlets where books are sold.
