Endodontics (Root canals), Orthodontics (Braces & Invisalign), and various Cosmetic dentistry procedures are some of the important procedures that he has expertise in handling. Dr Ponnam and his associates are also the esteemed members of dental associations like the Canadian Dental Association, Ontario Dental Association, American Association of Orthodontics and American Dental Association which helped him share his expertise with others to broaden his network and of course to learn from

others.

The procedures performed by Dr. Giridhar are always focused on keeping the patients at ease with modern equipment and a relaxing environment. His goal is to provide top-tier, high-quality treatment in a contemporary, hospitable environment to all of the people who chose him. He never fails to learn new things and update himself to the exciting changes in the field which allowed him to always provide only the best for his patients. The staff at Dental Square are also friendly to discuss and know in detail about the procedure and other information any patient will have to know. This makes the patients feel comfortable and choose the preferred treatment for their problem.

One of his clients Mit Bhavsar wrote, "I am a person who never likes to get any dental treatment unless required. Call it laziness or avoiding that unnecessary pain and tingling in your mouth after the treatment. But one man changed my perspective - Dr. Giri. He is a magician. I got my wisdom tooth extracted yesterday and the experience was totally different than expected. I didn't even know when the tooth was out and not only that, I didn't even feel any pain or numbness after hours of extraction even though I was provided with painkillers. Thank you Dr. Giri for all your guidance and support for me and my family. Cheers.", on Google Reviews.

Dr. Giridhar Ponnam has expertise in dealing with conditions like periodontal/gum treatment, orthodontics, root canal treatment & emergency dental care. Dental bonding, dental implants, crowns, tooth-coloured fillings, porcelain veneers, invisalign & teeth whitening are some of the important procedures performed by him and his associates at Dental Square.
