

# Power Diary Named a Leader in the Medical Practice Management Report by Real Users on G2

*Power Diary leads in G2's Medical Practice Management rankings and earns top honors for user satisfaction.*

SALT LAKE CITY, UT, USA, May 23, 2024 /EINPresswire.com/ -- Power Diary today announced that their [health practice management software](#) has been named a Leader in Medical Practice Management by [G2](#), the world's largest and most trusted software marketplace. Additionally, Power Diary currently ranks 1st of 512 in G2's Medical Practice Management category.

Power Diary has also been named a Momentum Leader and Leader, Small-Business, in the Medical Practice Management Report. This recognition is based on real users' responses to each of the Medical Practice Management-related questions featured in the G2 review form.

"We're thrilled to receive this recognition from G2 once again. It serves as a powerful affirmation of our focus on creating software that allows healthcare professionals to focus on what matters most - their patients. Our heartfelt thanks to our customers, whose insights and loyalty inspire us to keep innovating." - Damien Adler, Co-Founder & Head of Customer Success at Power Diary

Power Diary achieved this distinction in the Medical Practice Management Report by receiving positive reviews from verified users compared to similar products in the category. A product

Below this, the 'powerdiary' logo is displayed in white lowercase letters, followed by five yellow stars. The main text reads 'G2 Spring awards are in!' in large white font. At the bottom, four award badges are shown in white with red accents: 'Users Love Us' with a star, 'Leader SPRING 2024', 'Leader Small Business SPRING 2024', and 'Momentum Leader SPRING 2024'. Below the graphic, a text box states: 'Power Diary proudly announces its success at the G2 Spring 2024 awards, earning accolades across multiple categories including Users Love Us and Leader designations'.

must have received 10 or more reviews for inclusion in the report.

"While over 150,000 different software products and services are featured on G2, only the highest ranked are recognized each quarter according to their category, company size, geography, and report type," said Sara Rossio, Chief Product Officer at G2. "These reports serve as valuable, tailored lists for buyers conducting research in their purchasing journey. We extend our congratulations to those vendors who have achieved a coveted spot in a G2 report, driven by insights from real customer feedback."
