

Proficio Wins 2024 Cybersecurity Excellence Award for Managed Detection and Response Services

Recognition Reinforces Company's Purpose to Protecting Businesses Against Ever-Evolving Cyber Threats

CARLSBAD, CALIFORNIA, USA, May 13, 2024 /EINPresswire.com/ -- [Proficio](#)[®], a leading Managed Detection and Response (MDR) provider, is a winner of the [2024 Cybersecurity Excellence Awards](#) in the Managed Detection and Response (MDR) category, the company announced today. The Cybersecurity Excellence Awards is an annual awards program recognizing individuals and companies that demonstrate excellence, innovation, and leadership in information security.

"As the [inventor of SOC-as-a-Service](#), automated threat response and cybersecurity business intelligence, Proficio was created with the sole purpose of advancing the global mission of MDR," said Brad Taylor, CEO, Proficio. "We are grateful for this award which reaffirms and recognizes our commitment to providing our customers around the world with best-in-class cybersecurity services and solutions."

ProSOC[®] Managed Detection and Response (MDR) safeguards businesses against the ever-evolving landscape of cyber threats by providing SOC-as-a-Service, 24/7 security monitoring, threat detection, in-depth analysis, and expert-driven response. Proficio helps bridge resource and skills gaps, simplify configuration complexities, mitigate alert fatigue, and empowers businesses to proactively reduce their risk of a breach.

"We congratulate Proficio on being recognized as an award winner in the MDR category of the 2024 Cybersecurity Excellence Awards," said Holger Schulze, CEO of Cybersecurity Insiders and

founder of the 600,000-member Information Security Community on LinkedIn, which organizes the 9th annual Cybersecurity Excellence Awards. "With over 600 entries across more than 300 categories, the awards are highly competitive. Your achievement reflects outstanding commitment to the core principles of excellence, innovation, and leadership in cybersecurity."
