

South Shores Detox Celebrates a Decade as a Leading Accredited Orange County Drug Rehab Program

South Shores Detox celebrates a decade of excellence as Orange County's leading drug rehab, offering comprehensive, accredited programs and affordable care.

SANTA ANA, CA, UNITED STATES, May 10, 2024 /EINPresswire.com/ -- In an era where the battle against substance abuse seems to grow more intense with each passing year, South Shores Detox stands tall as a guiding light for recovery when individuals are seeking solace from addiction in SoCal. Today, their facilities celebrate a monumental milestone: over a decade of unwavering commitment to the cause of rehabilitation.

South Shores Detox is nestled in the serene landscape of Dana Point, California, and has emerged not just as a treatment center but as a cornerstone of healing and transformation in their community. At a half-hour drive from Santa Ana and other Orange County cities and towns, they are a convenient choice for both residential and outpatient programs for the communities of the OC.

A Legacy of Excellence in Addiction Treatment

Since its inception, South Shores Detox has exemplified excellence in addiction treatment. Led by visionary founder, Eric Botelho, the facility has garnered accreditation from esteemed institutions such as the Joint Commission and DHCS, affirming its adherence to rigorous standards of care and safety. For more than ten years, South Shores Detox has remained steadfast in its mission to provide comprehensive detoxification and rehabilitation services,
