

Unigen and Ai Labs Inc. Join Forces to Provide Innovative Solutions

NEWARK, CALIFORNIA, UNITED STATES, May 14, 2024 /EINPresswire.com/ -- [Unigen Corporation](#), a global leader in the design and manufacturing of enterprise and industrial electronics, and Ai Labs Inc., a pioneer in artificial intelligence and data analytics, today announced that they have entered an agreement to deliver innovative solutions by leveraging Unigen's hardware products with Ai Labs' Artificial Intelligence solutions to new and emerging markets.

Under the terms of the agreement, Ai Labs will act as an Independent Solution Provider (ISP) for Unigen, distributing their products and services to a diverse range of industries and customers in Saudi Arabia, The United Arab Emirates, Bahrain, and India. This collaboration combines Unigen's expertise in automotive, computing and storage, embedded, medical, robotics, and IoT with Ai Labs Inc.'s advanced AI-driven solutions, offering clients unparalleled value and performance.

"We are thrilled to partner with Ai Labs Inc.," said Benjamin Bonnet, Unigen's Channel Sales Manager. "Their commitment to pushing the boundaries of AI technology aligns perfectly with our mission to deliver exceptional solutions that drive business growth and innovation. Expanding Unigen's global footprint, especially with our recently announce AI products, has been a key focus of the company, and this fits well with that strategy."

"This partnership represents an exciting opportunity for both companies to accelerate innovation and deliver transformative solutions to our clients," said Bhasker Rao, Founder/ Chairman at Ai Labs Inc. "Together, we will empower businesses to harness the power of AI to unlock new possibilities for growth and success."

With a shared commitment to excellence and innovation, Unigen and Ai Labs Inc. are poised to redefine the landscape of technology solutions. By combining their strengths and expertise, they aim to drive value for clients across industries.
