

amana Strengthens Its Lebanon Operations with Advanced Trading Platforms and Expanded Asset Options

amana boosts Lebanon operations with new trading tech & more assets, enhancing market access for investors.

BEIRUT, LEBANON, May 13, 2024 /EINPresswire.com/ -- [amana](https://www.amana.com/), a leading neo-broker in the MENA region, is pleased to announce significant enhancements to its operations in Lebanon. These include the introduction of advanced trading technology and a broader array of tradable assets. This initiative is designed to give Lebanese investors superior access to a wide range of global and regional markets through amana's innovative trading platforms.

By implementing amana's proprietary technology, Lebanese traders will benefit from a streamlined and effective trading experience across various market classes. This enhancement not only bolsters amana's offerings in Lebanon but also equips traders and investors with the tools to expand and diversify their investment portfolios like never before.

Key Features of amana's Platforms:

- Access to a broad range of assets: Including US stocks, MENA stocks, gold, ETFs, and more.
- All assets, one account: For easy management of portfolios.
- Ultra-competitive spreads: Up to 70% lower than industry average.
- Advanced trading tools: Leveraging amana's own cutting-edge technology to provide robust and user-friendly trading solutions.
- Easy payments: amana offers multiple ways to fund trading accounts.
- Safety: Operating in various global markets, amana is regulated by the FCA in the UK, DFSA in
