Company*

The growth in the engineering software market is due to the rising automation in manufacturing. North America region is expected to hold the largest [engineering software market share](#). Major players in the engineering software market include Siemens Ltd., International Business Machines Corporation, General Electric Company, Oracle

Corporation, Schneider Electric SE.

## [Engineering Software Market Segments](#)

- By Component: Software, Services
- By Deployment: Cloud, On-Premises
- By Application: 3D Printing, Enterprise Resource Planning, Plant Layout, Drafting And 3D Modeling, Project Management, Knowledge Management, Product Design And Testing
- By End-Use: Automotive, Aerospace And Defense, Electronics, Medical Devices, Architecture, Engineering, And Construction (AEC), Other End-Uses
- By Geography: The global engineering software market is segmented into North America,

South America, Asia-Pacific, Eastern Europe, Western Europe, Middle East and Africa.
