

Anker Combines Convenience and Versatility with New 3-in-1 Power Banks

Featuring a built-in USB-C cable and a foldable AC plug, Anker's 5K and 10K 30W 3-in-1 Power Banks offer fast charging at home and on-the-go.

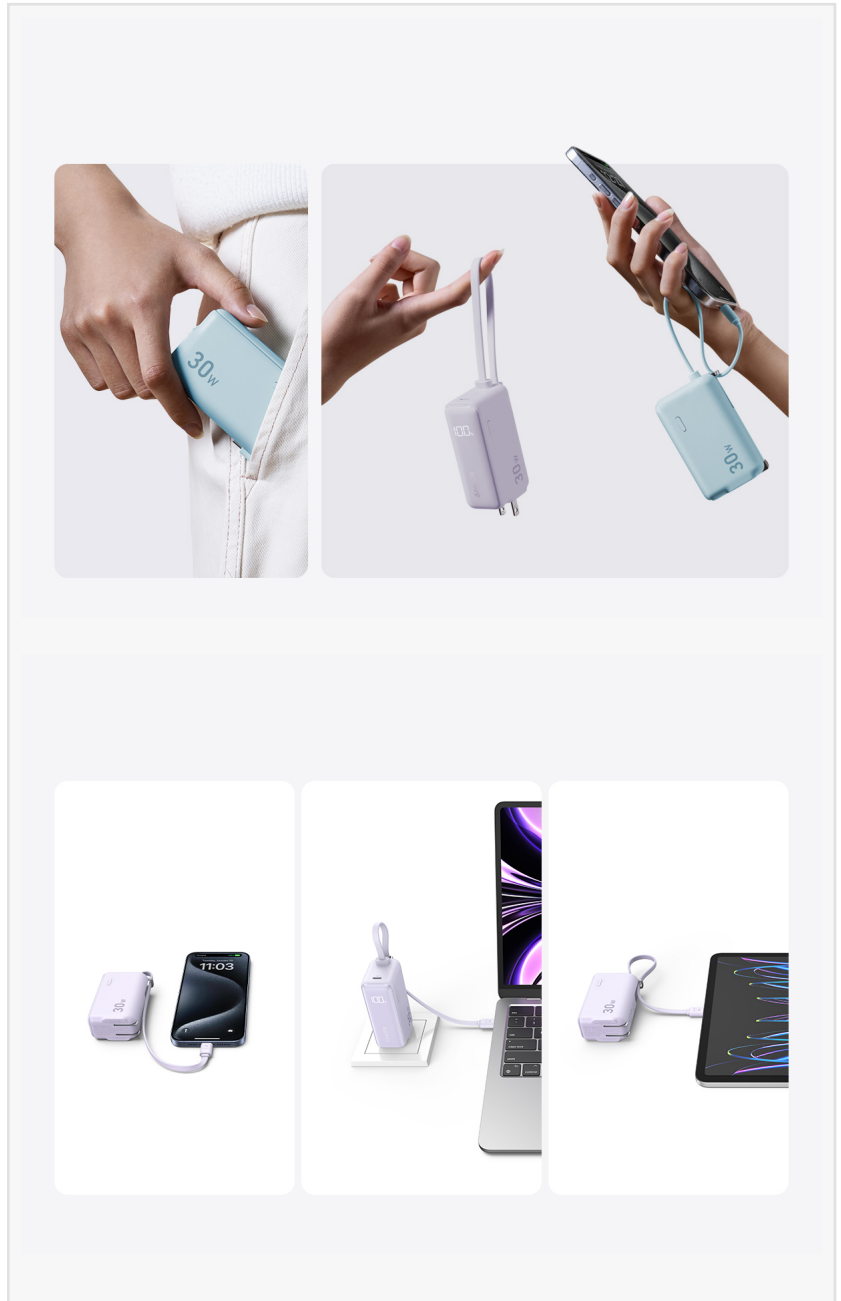

BELLEVUE, WASHINGTON, US, May 13, 2024 /EINPresswire.com/ -- Anker Innovations, a global leader in mobile charging and consumer electronics, is making it easier than ever to travel light with the introduction of its newest [30W 3-in-1 power banks](#). Available in [5,000 MaH](#) and [10,000 MaH](#) configurations, these all-in-one power banks are designed with a built-in cable and plug, ensuring that everything needed to charge electronic devices and the power bank itself is always at hand. Offered in a variety of colors, the 3-in-1 power banks are available now on Amazon.com and Anker.com.

On-the-go Charging

The Anker 3-in-1 Power Banks are the ideal travel accessory, with the 10,000 MaH unit offering a 30-watt charging capability, both when plugged in and on battery power. The slightly smaller-sized 5,000 MaH power bank offers the same 30W charging speed when plugged in, and a 22.5W when on battery mode.

Compact and Versatile Design

These power banks come with an integrated, foldable AC plug and either a USB-C or Lightning

cable, providing a comprehensive charging solution that can also serve as a traditional wall charger. Perfect for those with busy, on-the-go lifestyles, these power banks make staying charged effortless, without the need for additional accessories.

Availability and Pricing

The 5,000 MaH and 10,000 MaH variants are available today in the US for \$39.99 and \$49.99 respectively on Amazon and Anker.com in midnight black and aurora white; with blue, purple, and pink models coming soon. Variants of both models will be available with Lightning cables in the near future.
