IN THE HEART OF BOCA RATON

Lang Realty recently celebrated the grand opening of its newest sales office in Boca Raton with friends, team members, and colleagues, at a ribbon-cutting ceremony.

“The burgeoning market of Boca Raton where Lang Realty first opened has presented a great opportunity for the company to reimagine an office environment that focuses on creating the best agent experience,” said Scott Agran, President of Lang Realty. “While Covid and advances in technology have led agents away from the office, Lang’s innovative office design and features invite agents to stop by for a cup of Nespresso, a quick collaboration, a business training session, or a gourmet lunch from a food truck.”
