

Avere Beauty Unveils PDO Threads for a Non-Surgical Approach to Youthful Enhancement

The med spa in Pittsburgh, PA, introduces PDO thread lifts – a minimally invasive alternative to traditional facelifts for a natural, rejuvenated appearance.

PITTSBURGH, PENNSYLVANIA, UNITED STATES, May 13, 2024 /

EINPresswire.com/ -- [Avere Beauty](#), a premier med spa serving Pittsburgh and surrounding communities such as Murrysville, Export, and Greensburg, is proud to highlight PDO threads on its comprehensive menu of aesthetic treatments. PDO threads offer a minimally invasive solution for those seeking a subtle yet noticeable lift and rejuvenation of the face.

[PDO threads, also known as polydioxanone threads](#), are biocompatible sutures that stimulate collagen production while gently lifting sagging skin. This innovative treatment is ideal for addressing concerns like fine lines, wrinkles, and loss of facial volume.

"At Avere Beauty, we believe in empowering our clients to look and feel their best," said Mr. Frank Udavcak, Business Director at Avere Beauty. "PDO thread lifts are a game-changer for those seeking a natural, rejuvenated appearance without the need for invasive surgery. Our skilled professionals are dedicated to providing the most comfortable and effective treatments tailored to each client's unique needs."

Avere Beauty's experienced clinicians and medical professionals offer PDO thread lifts at their [med spa locations in Lawrenceville and Murrysville](#), serving clients throughout Pittsburgh and the surrounding areas, including Cranberry, Fox Chapel, Mt. Lebanon, Sewickley, Squirrel Hill, Moon, Monroeville, Shadyside, Plum, and Export.

The PDO thread lift procedure takes anywhere from 20 minutes to a few hours depending on number of threads and area, and clients can expect minimal discomfort. The threads are inserted using fine needles and act as anchors to lift the skin, encouraging collagen production for long-lasting results.

Clients have been thrilled with their experiences at Avere Beauty. Kelsey Johnson shared, "Absolutely love this location. The office is clean and relaxed. Diana is the absolute BEST! Not only does she create absolute art with my face goals, she remembers you and is the kindest and sweetest person. She walks through the whole process and always seems truly excited about reaching each client's beauty goals. I would never go anywhere else for my injections!"

Olivia F. added, "From start to finish Avere Beauty checked every box for me. So chic yet so comfortable at the same time. Cheyenne took this facial to the next level with her explanations and really just showing her love for the products she was using. I love how informed she was and she didn't mind filling me in every step of the way. Her techniques and her overall demeanor were professional even though she's so down to earth. I can't wait for my next appointment!"

Diane F., a long-time client, remarked, "I have been a client at Avere Beauty for 3 years now. It's one of the best things I've ever done for myself and I can't recommend Diana enough! She makes me feel totally comfortable with my procedures and is very knowledgeable about the treatments!"

Avere Beauty invites Pittsburgh residents to explore the transformative potential of PDO thread lifts. Call 412-952-7592 to schedule an appointment. For more information, visit <https://www.averebeauty.com/blog> and <https://www.averebeauty.com/about-us>.
