

US Navy Veterans Mesothelioma Advocate Urges a Navy Veteran-Submariner with Mesothelioma anywhere in the USA to Call for Direct Access to the Nation's Top Lawyers for Compensation Results-Don't Play Lawyer Roulette

WASHINGTON , DC, USA, May 15, 2024

/EINPresswire.com/ -- The US Navy Veterans

Mesothelioma Advocate says, "We are best

branded source in the nation for Navy

Submarine Veterans who now have

mesothelioma and if we had one piece of advice

for a person like this or their family in the USA it

would be call us at 866-714-6466 for direct

access to the nation's top attorneys who have

experience assisting people like you. Most of

the 'sponsored' ads you might see are not

mesothelioma law firms-they are marketing law

firms that sign up navy veterans who have

mesothelioma-and then leave the

compensation work to some other law firm.

"We call this lawyer roulette, and it is a huge problem-because if the Navy Veteran who has mesothelioma or their family knew who-or what they were signing up with--they would never sign up it the first place. If the lawyer, you hire to assist with a mesothelioma compensation claim does not know what they are doing--all we can say is good luck with financial compensation. Navy Submarine Veteran compensation claims are more complex than a typical mesothelioma compensation claim-because every piece of equipment on a boat-submarine is classified.

"We are passionate advocates for Navy Veterans with mesothelioma and our top priority for a person like this is they receive the very best possible financial compensation results. If you are a Navy Submarine Veteran and you have mesothelioma or you are their family-please call us at

866-714-6466-call us for some honest advice. Our advice is free--and trust us---it is much better and honest than the information you will get on the internet."

Suggestions from the US Navy Veterans Mesothelioma Advocate for Veterans with mesothelioma nationwide on how to increase potential financial compensation:

"Do you recall the specifics of how you were exposed to asbestos at work, in the military or both-and when this exposure occurred? This is incredibly important information.

"Do you recall the names of shipmates-coworkers who might have witnessed your exposure to asbestos?

"Did you have more than one job in the navy-armed forces where you might have been exposed to asbestos?

"Do your medical records include a biopsy that confirms the mesothelioma or asbestos exposure lung cancer?"

"Has your loved one's doctor told you that mesothelioma is a distinct possibility-but because they are so sick-weak-a biopsy to confirm the mesothelioma is not possible? If this is your loved one, please call us at 866-714-6466."

Important Note: "We are advocates for Navy Veterans who have developed mesothelioma anywhere in the USA-and as we say all the time we want these people to receive the best possible financial compensation results.
