

Old Chicago Pizza + Taproom Debuts New Menu Featuring the Return of Customer Favorites

Brand re-introduces Spaghetti Pie alongside lineup of new additions

DENVER, CO, USA, May 14, 2024 /EINPresswire.com/ -- [Old Chicago Pizza + Taproom](#), a leading restaurant chain offering fresh dough pizza and an extensive craft beer selection, launched a refreshed menu featuring the return of customer favorites such as the Spaghetti Pie and the Nachos Grande. The new lineup of craft selections follows a surge of social media engagement chronicling customer demand for the hot ticket items.

Among the new additions, the Spaghetti Pie takes center stage. Complete with Spaghetti tossed in Alfredo sauce and topped with Parmesan, Mozzarella, Romano, and Provolone Cheeses, the dish is baked before being topped with additional Italian cheeses and guest's choice of marinara or Alfredo sauce. Once heralded as an Old Chicago staple, loyal fans from year's past took to social media to share their excitement around the return of the enticing dish and other beloved entrees. Producing an unprecedented spike in engagement, the post on the brand's Instagram page was the top performer of the year.

The Chicken Bacon Ranch Pizza, introduced in early 2024, has also entered the permanent rotation. This crowd pleaser features a ranch-based sauce, mozzarella cheese, roasted chicken and bacon on fresh pizza dough and garnished with julienned green onions. For guests looking for a different culinary experience, the Nachos Grande is here to stay, offering the perfect game day treat of corn tortilla chips layered with choice of protein, melty cheese, red onions, black beans, tomatoes, and jalapeños, drizzled with house made ranch, and garnished with fresh cilantro and a side of fire roasted salsa.

"Our revamped menu is a testament to the magic that happens when a brand is able to respond to guest demand and preference," said Windi Cooper, Senior Director of Marketing for Old Chicago. "The social media response when we hinted at bringing back some previous menu items was exciting, and we are looking forward to hearing the feedback on the return of some fan-favorites, in addition to some exciting new items."

Old Chicago's refreshed menu also features a zesty Southwest Chicken Salad, a Chicken Caprese Sandwich and Chicago Sausage Sub. For dessert, the house-made Donut Bites offer the perfect sweet treat to share with the table – or keep for yourself.

To enhance the guest experience, Old Chicago offers a mobile app to check-in during their visit, participate in The World Beer Tour, order food for pick-up or delivery, find locations, collect rewards, and more. OC REWARDS members who download the app will receive a reward for \$5 off their first in-app purchase of \$25 or more, redeemable as early as the next day.
