Link Development is focused on supporting private and public organisations in their digitisation strategies, with an extensive footprint through seven regional offices and a strong workforce exceeding 700 professionals, that has forged a reputation for delivering innovative solutions to an expansive clientele. Beyon Solutions is a digital

transformation system integrator delivering scalable, efficient, and secure outcome focused solutions to organisations. The company witnessed rapid growth due to its clear strategy from the beginning, which focusses on business development through innovative solutions as well as

collaborative efforts through strategic partnerships with key players. The acquisition of Link Development, the latest major step in Beyon Solutions' journey, creates one of the largest hubs of digital transformation services in the region.

Beyon Digital CEO Shaikh Mohamed bin Khalifa Al Khalifa commented on the occasion saying, "We are delighted to take this major step to acquire such a prominent regional operation as Link

Development and extend appreciation to Beyon Solutions chairman Mikkel Vinter for driving ambitious strategic plans aimed at growing the company's regional presence and portfolio."

"The transaction is a testament to our commitment to contribute toward digital transformation in the region, supported by a strong backbone of team members across Beyon Digital's network of companies, regional offices and delivery centers across 10 countries," Shaikh Mohamed added.

Beyon Solutions CEO Nicholas Toon elaborated by saying, "Integrating a major organisation such as Link Development is a strategic move that aligns with our ambitions and greatly enhances our solution and service offering across our regional group. Link Development and Beyon Solutions hold strategic partnerships with key vendors such as Microsoft, AWS, and Outsystems, and the synergy created through the acquisition will augment the scope of the Beyon Solutions portfolio and enable the seamless delivery of cutting-edge digital solutions to our growing regional customer base."

"Furthermore, the team members within Link Development are exceptionally skilled and experienced and I am confident that combined with the capabilities that exist across the group, we will deliver great things."

Karim Beshara, Managing Partner of A15, also remarked, "On behalf of A15, I want to extend my heartfelt gratitude to the entire Link Development team. It has truly been an incredible journey, marked by dedication and unwavering commitment to excellence. We firmly believe Beyon Solutions is an excellent strategic fit that will accelerate growth and create significant value. We are excited about the company's future prospects and look forward to seeing the combined organizations achieve continued success going forward."

Link Development CEO, Hesham El Beih stated, "I'm thrilled about the opportunities this acquisition presents for our customers. By joining forces with Beyon Solutions, we're not only enhancing our ability to deliver exceptional customer experiences but also expanding our
