

Reviving Oakland's Icon: The Rotunda Building Unveils Spectacular Upgrades and Partnerships

The Rotunda Building is re-introduced as Oakland's premier event space after 2-year renovation

OAKLAND, CA, USA, May 14, 2024 /EINPresswire.com/ -- The Rotunda Building, a treasured National Historic Landmark nestled in the heart of Downtown Oakland, emerges once again as a premier event destination following an extensive two-year renovation.

Originally erected in 1912 as Kahn's Department Store, the Rotunda Building boasts a rich legacy of hosting

distinguished social gatherings. Its crown jewel, a breathtaking 125-foot glass dome, illuminates a spacious 10,000-square-foot atrium adorned by a majestic, gilded staircase. Crafted by esteemed Bay Area architect Charles Dickey, the Rotunda's dome was hailed as a pioneering marvel in its time, reflecting Oakland's vibrant cultural heritage.
