About Unified Office

Business VoIP Provider

Unified Office, Inc. is a leading provider of SDN-based Hybrid Cloud (trifecta of on-premise, private cloud, and public cloud) managed Voice-over-IP and Unified Communications services to Small and Medium-sized

Businesses (SMBs). Our Total Connect NowSM service architecture was purpose-built from the ground up to deliver the highest quality of experience and availability, leveraging the latest in extensible business VoIP communications technology and cloud-based infrastructure to enhance SMB workforce productivity. This unique architecture is the result of the team's collective decades of experience in both the telecommunications service provider and large enterprise data networking industries. As a business VoIP provider, our team has designed protocols, built scalable products, integrated, deployed and supported carrier-grade equipment into many of the largest converged networks around the world. Quality, dependability, innovation, and support are core to our values. For more information about Unified Office, please contact us.

Business IoT Provider

Over the last 7 or 8 years, Internet of Things (IoT) solutions have generally been marketed to and purchased by large enterprises. There are hundreds of IoT solutions for countless use cases including remote asset tracking, factory automation, fleet services, energy/utilities management, parking management, facilities management, smart vehicle enablement and many others. But what about sales of IoT to the world's 200 million small and medium businesses (SMBs)?

Ray Pasquale joins other leading CEO's, founders, and thought leaders that have participated in this informative and popular interview show. In the interview with Andy Jacob, Ray Pasquale discusses the newest offerings of Unified Office, what makes the company different than other firms, and shares thoughts on leadership and entrepreneurship. Ray Pasquale joins other leaders building strong and compelling companies that have been invited to participate in the exclusive series
